- Last year and this year we will charge ½ the banner price. Buyers now have the option of adding yearly pins to their previous banners. We do not give a new banner to every buyer, unless they ask for one.
- Insurance – all large animals are insured from the time they arrive at fair until they load out. FYI – you can purchase additional insurance on your animal to insure during the time you own your animal by contacting Mountain West Insurance at 970-824-8185.
- Pork Checkoff is based on our swine sale dollar numbers. This year our sale numbers for swine are higher so the Pork Checkoff is higher.
