MAY 2018

At our May 2018 Elk River Wranglers club meeting we met at NRCCS. We started the meeting with a game of camouflage. Then since it was a beautiful day we sat outside for our meeting. Not only did we discuss old and new business, but we also talked about other business. We voted on monies for State Conference. We talked about our AG Experience idea for the fair, we decided to do a potato patch. To end the meeting we held another game of camouflage.

In May we also held our annual Clark Cemetery Community Service clean up. It was a successful clean up. At the clean up we picked weeds, fixed the fence, put up a new flag, and did general pick up.
