Our April 2019 meeting was held at the Snow Bowl Bowling Alley in Steamboat. We held our meeting outside in the sun. We voted on multiple things, how much money to sponsor our seniors with for State Conference, we decided on \$100 each. We also voted in favor of doing a concession stand at the Northwestern Colorado Expo, held in Hayden this year. We voted and chose to spend \$145 on flower bulbs to plant when doing our cemetery clean up community service. After adjourning the meeting, we bowled for a few hours.
