Dyllan Spitzly, Secretary

Josie Meyring, Reporter

MAY 2019

Our May 2019 meeting was held at the Clark Cemetery. We cleaned up the cemetery, mowing the grass and pulling the weeds. We also tore out a old fence. In addition to this we planted multiple different flower bulbs all around the cemetery. Next, we drove down to help an elderly lady by cleaning her horse and goat pasture. We raked up all the old hay that was laying around. We also trimmed her goats' feet and helped with any other various chores. Our day of helping the community went very well, and we were able to give back to the community.
