

2022 Grasshopper Control Reimbursement Program

(A Taylor Grazing Act-funded program)

Reimbursement is available on a first-come, first-served basis in the amount of \$2/acre for control efforts that encompass 35 or more acres. Acreage minimum can be achieved by grouping properties under different ownership. Control efforts can include aerial spraying, ground spraying, baiting, or any other generally acceptable control effort appropriate for large-scale application. Proof of control effort is required (see reverse side).

2022 Grasshopper Control Reimbursement Program

(A Taylor Grazing Act-funded program)

The following information must be included in your application packet in order to be considered. Please attach the following:

- Map of area treated
- Receipt, invoice, or contract for work done, OR
- Receipt for product applied if applied by self

By signing below, I attest to the following:

- I have applied, or had applied by another party, the indicated grasshopper control efforts on the property indicated on the attached;
- I own, manage, and/or have/had permission to apply the grasshopper control to the property indicated in the attached;
- That application was made according to all known applicable rules, laws, and regulations;
- That, to the best of my knowledge, the control efforts were made according to the instructions and at rates indicated on the product label;
- I have expended the funds indicated on the attached and can legally apply for the reimbursement funds allocated by this program; and,
- Action was taken in good faith and in an effort to reduce grasshopper numbers on the property.
