

ROUTT COUNTY 4-H

GARDENING WORKSHOPS

2023-2024 TENTATIVE SCHEDULE

March 11	What Grows here and Why - Now and Then 4pm-5pm
April 11	Soils 4pm-5pm
April 17	How to Extend Your Season 4pm-5pm
July 27	Exhibit Day SoRoCo High School
***	Attend Monthly Club Meetings, Community Service, and Complete a demonstration

Project Objectives:

- Develop an understanding of basic gardening principles
- Learn to take plants from seed to harvest
- Understand external aspects needed to help plants thrive
- Apply the skills into larger aspects of the gardening world
- Present a display board to show progress through the gardening program

Project Requirements:

- Record Books must be completed with your projects. These books will be turned in with your project during Exhibit Day
- Interviews will be completed during Exhibit Day in July. Interviews are required for each member to complete the Robotics Project
- Project Exhibits will need to be completed and presented during Exhibit Day.
